“ We are thinking of you and your family and sending our heartfelt sympathy for your recent loss of Annette. There isn't any way to lessen the pain of being separated from someone you love dearly but may God give you the strength needed daily (Ps.34:18) to cope with such a great loss. Annette touched the lives of others and will be sadly missed.

“ My sympathies to all of Annette's family and friends. I met Annette 17 years ago when I first began teaching. Even though it has been almost 16 years since I had seen her, I still remember her happy smile. Rest in peace, Annette!

“ My deepest sympathy to the Dietz family in the loss of your daughter Annette. This is from the Colston Family in Opelousas, La.

“ I first knew Annette as a competitor in high school, then later as a cohort and friend at Willamette. I, too, have lost tough in the last few years with Annette, but am saddened by the world's loss of her humor and ready smile. She was a natural leader and well-liked. One of my favorite memories was a road trip to Reno with Annette and two other bandmates on the school's budget for an honor band experience. I recall driving through the clear desert night and being amazed by the stars and comet in the sky. Annette, may your memory shine like those stars and comfort and peace come over those who dearly miss you.

“ Bob and Claudia, we pray that you will seek comfort in God during this time of your tragic loss. You were blessed with a beautiful, talented daughter and we cannot imagine the loss that you are feeling. Please let us know if there's anything that we can do to help you during this time. Our love and prayers, Steve and Patti

“ I am greatly saddened to hear of Annette's passing. I came to know Annette at Willamette as a fellow clarinetist. She had a great talent and was one of the main leaders as well as caretakers. By the time we graduated, she had become one of my closest friends. She was a major influence in my life, we shared many adventures and she helped me to broaden my humanity. She was a true friend on whom I could count.

Although we lost contact the past few years, I still considered her a great friend. I looked forward to catching up with her and hoped to share more memories.

Claudia and Bob, please know you have my condolences and deepest sympathies. Annette loved you both a great deal and held you in the highest regard.

“ I met Annette while she was a student at Southeastern. She was brilliant. Recently, we were talking about her getting a doctorate. She was known as an excellent instructor by undergraduate students majoring in Special Education. More importantly, she was a incredible friend of mine. She was generous, thoughtful, unselfish, and always kind; a beautiful person inside and out. I miss her so much!

My prayers go to her wonderful mother and father. I've had the honor of spending time with them. Annette was blessed to have them! Please let me know if you need anything.

“ Annette was super supportive and patient with never-ending questions I had about special education during my first year of teaching at Emily C. Watkins in Laplace, LA. I was really grateful for all of her knowledge and the instructional strategies and ideas she gave me. She truly was my lifesaver and really cared about the kids that needed the most help and support. I still teach special education and use the resources and ideas she gave me. She lives on through all of the teachers and kids she has helped support.

“ I am so very sorry to learn of Annette's passing. She had an infectious smile, and was always willing to stop and offer help whenever I had a question about a student's progress. I will truly miss her at LaPlace Elementary. Many prayers for comfort and peace.
Eternal rest grant unto her Lord, and let perpetual light shine upon her.

“ Please accept my deepest sympathies to your family on your loss of Annette.

My name is Donovan Castillo. I went to grade school and junior high school in Eugene with Annette. I recall some classes we had together. The last time I saw Annette was our 7th grade year. My family moved away prior to my 8th grade year. I remember Annette as a soft spoken, friendly young lady with long hair and glasses. I recall trying to sit next to her in 5th grade math because she was so smart. She helped me a lot with Division.

I moved back to the Eugene area in 2013 and started to reconnect with old friends who were still in the area and via Facebook.

This news about Annette is extremely sad. Just a month ago I learned of another school mate that Annette and I both knew who passed in Texas. His name was Brian Bell. He attended Madison Middle School with us.

Again, please accept my condolences in your bereavement.

Respectfully,
Donovan Castillo
