

## Gazielle Mitchell

September 5, 1957 - August 31, 2017

Gazielle Mitchell passed peacefully away in hospice at The Carpenter House of St. Joseph on August 31, 2017. She would like you to believe that she was still 29 years old. Gazielle was born in Arcata, CA on September 5, 1957. The daughter of the late Mr. Perry Mitchell and Mrs. Ann Mitchell. Predeceased by her grandson Mackenzie Robert Cox who was immediately an enjoyment. She graduated from Buras High School, rather than pursue a degree and become doctor, as her father wanted, or a person with a sense of decorum, as her mother would have preferred. She decided to welcome a beautiful daughter Trisha MacDowell. Gazielle's best moments were those spent teaching her daughter to read, write and be a good person.

She also heartily enjoyed owning her own bar "Fisherman's Wharf". Where she was able to enjoy her passion to fish in her free time. She was a beautiful, smart and caring person who will be greatly missed by all who knew her.

She is survived by her boyfriend, Charles Barlow; her daughter, Trisha MacDowell; her future son-in-law, John Greg Sheppeard; and her Wharf family employees, Laurie Clark, Amy S. Whitney, Sharon Butler, and Dee Gisiner. She is preceded in death by every person who ever lived on this planet, including Elvis Presley.

She will greatly miss the taste of Diet Coke and potato chips.

Relatives, family and friends are invited to attend the Memorial Visitation at Millet-Guidry Funeral Home, 2806 W. Airline Hwy, LaPlace on Tuesday, September 5, 2017 from 6:00 p.m. to 8:00 p.m.

“ I'm very luck to have had the chance to meet you... thought it was later in life and I wish we could have gotten to know each other better... when I met Gazelle, I had trouble feeling comfortable in social situations because the thought of meeting and trusting ANYONE outside my very small circle of friends was unrealistic to me... Gazelle unknowingly helped to show me that there are still good people out in this world and that no matter the walk that a person chooses in life everyone deserves an open mind, a big smile, and a hug from Gazelle when they walked in... You will surely be miss... Thank You for your open mind, open arms, and your hospitality...

“ She was on of the best and kindest woman I've got to have met. I didn't know her but only a few years and she always made me feel comfortable and welcomed like she did all others. She will be sadly missed by all the many hearts she touched. I'm just like you I rarely go anywhere myself but the Wharf and the day I met her I felt so comfortable. All her bartenders are the best. God gained another great Angel when he called her home. May she continue to R.I.P. All of our hearts are sadly broken. I'm praying for her family and her Wharf family. God Bless You Amber LeBlanc.

“ I remember when we were all at Tohwopahsaw Bar and the song Save a Horse Ride a Cowboy came on the juke box, and she would sing save a horse ride a Harley!

“ I will always Cherish that smile and the laughs we shared when you opened that box of Harley Davidson shirts that I could no longer get my big ass boobs in. Sister we had so many laughs & memories and when you see Debra, you give her a big hug from me. Lord knows RJs girls could do it right. Lol! I'm so Proud of Trisha, Randy & I will definitely be checking in on her & Charlie time to time. To give em a hug or kick in the booty for you if needed lol. You raised an amazing young woman who is probably more hard headed than you, but that's a good thing in our book right!?! Well Sis, I guess you don't have to hear me bitchin about you eating to many tums, rolaidis & zantac any more. You made our world a better place by being a part of it. Now, I'm gonna sit right here on the edge of this peer and drink a beer, if you swim up in fish style, I'll share. LOVE LOVE LOVE YOU!!
