“ I want to express my sincerest condolences to Ms. Laverne's family and friends. I had the pleasure of working with Ms. Laverne over the past year. I always admired her greatly because no matter what she was going through, she showed up for work. They don't make them today like they used to. Ms. Laverne was easily recognized by the families we serve as someone who was a constant. She used to say she came with the building. I thoroughly enjoyed our talks and I miss her. She truly cared about Millet-Guidry and all the families it serves. May Ms. Laverne's memory be for a blessing.

With deepest sympathy,
Katie Elliott
