“ What fond memories I have of Mrs. Marie from my childhood days living around so many wonderful families that worked at the sugar refinery. I remember numerous times Mrs. Marie would call for us to come inside for some lemonade on those very hot days, always welcoming us with her kind words. My deepest condolences to the family. I know you will remember her & miss seeing her smiling face every day. God bless you all.

“ At a time when my own mother was across the ocean and couldn't be near, Grandma took me under wing and helped me understand how to care for my new little baby. She took a load of worry off my shoulders and I am forever grateful for her tender way of teaching me. Sorry for your loss. Praying for all your family. Pam Inge

“ Our deepest condolences to the entire family. When Nancy, Irby & Carol Ann came to visit us in Dallas-Ft. Worth, TX with Marie, we will never forget her get-up-and-go attitude! She was game to do anything, in addition to being spritzzy, vibrant, and a wonderful human being. You will be missed, and may you rest in heavenly blissful peace.

“ To the family, Linda and I send our sincere condolences. My fondest memories of Marie was when she worked for me in both of my stores, La Place and in Norco. She was an expert seamstress as well as a valued employee. She always had my interest at heart and you can believe she was appreciated those long years ago. I know there is a special place for up in her new Heavenly Home. God Bless! Love, Bobby Feucht

“ My favorite memory of Aunt Marie is whenever I needed any clothes altered my mom would always tell me bring it to "Aunt Marie". She would always do it without asking for anything in return. I will always remember her kindness. I still cook her shrimp rice recipe my mom gave me years ago. She is now at peace with the rest of the Hotard family in heaven. Love, Paul & Shelly Perque

“ May "Aunt Marie" rest in peace as she joins the others who have gone before her. I remember her as always smiling and joyful. I'm sure there's a big party going on up there.
