“ *To say Alan was my brother-in law is an understatement. He was a Big Brother, a Father figure when he needed to be. Him along with his buddies Sammy Arcuri, Brother Dottolo and David Timberlake would sit on the floor with me and play jax's while we listened to Elvis Presley and swore me to secrecy to tell no one, LOL Will cherish these memories along with many more. Alan you will be forever in my heart along with Ashiley, Alicia, Gel and Taylor you never missed a birthday call to sing n play those famous hand drums. We love you so much and will be missed more than words can say.*

*Till we meet again
