“ Three wheeling and fishing. But my favorite memory was when Uncle Saved my life. He and I were in the truck and Aunt Agnes and Stephanie we're walking on the levee. Another vehicle was coming so Uncle Roy decided to give the other vehicle space to pass. Unfortunately, we went off the levee tilting towards the water. I was scared to death but I didn't cry. He reached out his hand and pulled me out of the truck. He and bystander were able to get the truck from completely tilting over. Christine May
