“ *Berthelot Family Members,
When I think of Mr. Al, I immediately smile recalling his many kindnesses shown to Mom and me years ago. His cheerful disposition was always one making others feel comfortable and loved. I also recall your father being a rock for his family and the families of his loved ones. We certainly live in a time period where traditional visitations and funerals are offset with the worry and concern over COVID-19. I do, however, want to extend to each one of you my heartfelt condolences in the loss of your loved one. I know your hearts are filled with sadness; however, please know many empathize with you and are thinking of you during this difficult time.
With sympathy,*
