“ I had the pleasure of taking care of anna and papi thanksgiving..christmas..easter holidays and in between. Anna and i did things she hadnt done since disabled. We looked at pics everyday..talked and laughed. Papi and i cooked for eachother fried fish french fries.. anna and i ate my special salads and Brazilian nuts...and we snuck the green stuff Hope made each holiday...pistachio pudding. We read newspaper and fed birds daily. They supported me by being a parent figure as i mourned my parents death. I will ALWAYS remember these special two people papi and anna...as my sec parents. I loved them unconditionally and always will.
