“ *My sincerest sympathy to all of Mamie's children, grandchildren, great-grandchildren, brothers and sister. She was such a sweet, soft spoken person. She had many of Aunt Albertine's admirable qualities. May God bless each of you with peace, strength, and grace -- knowing that she is now with her beloved Johnny. Together, they will be praying for all of you. May your wonderful, loving memories bring you some consolation and comfort as you endure this great loss. God Bless! Myra*

“ *I will never forget the smell and warmth of maw maws home. I will never forget the family gatherings we had as children. I will never forget the Easter Egg hunts we had every year. I will never forget the warmth when I walked into my maw maws home. But the best memory I will always have is the times we used to order Frost Stop. That was just a memory that is never forgotten. I will miss my maw maw because to me she was the perfect maw maw.*

“ There was this box at the top of the closet in the living room of my Grandmas house. As a child I was always curious and just had to know what was in this box. Grandma was having none of it she wouldn't let me look. I think it was almost a game for her. Every time I was at her house I asked about this box and she'd give me some excuse. Oh the box probably has junk in it nothing you want to see. But there was other times I know she was playing with me. There might be something in there that not appropriate for you to see. I know she was just pulling my leg. After her house flooded we had to remove everything from the house. The box wasn't there. I guess I'll never know what was in that box. I asked her about it later and she said she had pawpaw pull it down and it was nothing. All these years of wondering and she still wasn't going to tell me. I'm going to miss her but I know she's with pawpaw now.

Love Always,
Stephanie
