“ Tony was a good man who was taken from us way too soon...He had a great smile and personality and was a force to reckon with on the lanes. What a great bowler he was. Prayers to Gail and the rest of his family. Our sincere condolences. Rick and Roberta Phillips

Thank you guys so much for he prayers - it's been very hard the last month and now he's gone - thought he was on his way to recovery but God had something else in mind - I know he was saved so he's in heaven now with his parents, grandfather and friends

Tony will be missed. He and my mother were friends. She was friends with his mom, Sue. Tony was always helpful to her and would give her a hand when he knew she needed it. He also worked with my husband and son on occasion and he was a happy guy at work. Great personality, our Tony Stark look alike. Thank you, Tony for being good to my parent, Dad when he was alive, and to Mom. I know you are in Heaven. Kristi and Dale
