“ Anthony you were one of the most amazing person I knew. Always there to help anyone that needed it and always there to listen when you had anything going on. I will always remember our talks, you telling me how much you loved your kids. Not for a minute did I think you would leave us so soon. We will never hear your voice again, never see your smile. Watch over everyone especially your babies they are going to need your help to get through this. May you rest in peace. I will never forget you. Gone too soon. Fly high! Until we meet again.xoxo
