“ When I was a teenager, Artie would take me rabbit hunting every weekend. I always appreciated and respected the passion he had in caring for his dogs, training them, and watching them work. It was a special experience for me, and I've always appreciated the fact that he included me in his passion. From hunting, to fishing, to racing, whatever his passion was at the time, Artie always put his full soul into it and shared it with others.

*I also appreciated how deeply it affected him when his sister, and later his father, passed away. He was a tough man on the outside, but had had a tender heart.*

*Artie's family & my family were close neighbors & friends on Evangeline Road in Montz. His 2 sisters were best friends with my sister & me. Artie was born premature..he weighed only 3 lbs. We were so excited when he came home from the hospital. His Mom, Ms Shirley was very protective of him & allowed us to visit him only briefly for weeks until he was healthy enough to come out of his warm bedroom. These were my thoughts when I 1st learned of Artie's passing. My heart goes out to his Mother as she grieves the loss of another adult child. Artie's sister Sharon, died at the early age of 49. Praying for Artie's family!*
