“ *Mrs. Audrey not only taught me how to play the piano as a child and as an adult, she also taught my son David Bryan how to play. I feel that she gave him the foundation to become the music teacher and artist he is today. St. Peter Church has not been the same without her playing the organ. She was such a sweet, caring person! I know she is playing the organ in Heaven for the angels to sing along! Rest in Peace, Mrs. Audrey.*

“ I can't use words to describe Audrey. I will just try to continue to be your "substitute," and maintain your wonderful legacy of music at St. Peter.

*Requiem aeternam dona eis Domine, et lux perpetuae luceat eis.
Requiescant in pace.*

May angels lead you into Paradise; may the martyrs receive you at your coming and lead you to the holy city of Jerusalem. May a choir of angels receive you, and with Lazarus, who once was poor, may you have eternal rest. Amen.

Wisdom 3 But the souls of the righteous are in the hand of God, and no torment will ever touch them. 2 In the eyes of the foolish they seemed to have died, and their departure was thought to be an affliction, 3 and their going from us to be their destruction; but they are at peace. ...

9 Those who trust in him will understand truth, and the faithful will abide with him in love, because grace and mercy are upon his elect, and he watches over his holy ones.

“ Growing up next door to the Boe's was an amazing gift as I was always welcome and treated like family. "Aunt" Audrey, which even as adults we still call her, and "Uncle" Ray are beautiful people and I have an entire life of great memories. I remember always being invited to play croquet, learning French phrases from Coy and piano from Aunt Audrey, playing with our dolls with Anne, playing outside and hearing Aunt Audrey playing the piano inside her house, having Galen look forward to his Shirley Temple's and chicken leg and many, many, many, many, many other treasured childhood memories. My prayers are with the Boe family and I know that her and my Mom will now be having coffee together forever. With all my love, Jane Guidry and family.

My deepest condolences for the loss of your loved one. The Hearer of prayer promises to give holy spirit to his servants who sincerely ask for it. (Psalm 65:2) That holy spirit can equip you with the power beyond what is normal to endure your time of grief. Always remember that God can help his faithful servants cope with any and every problem they may face.

Not enough words to describe Aunt Audrey and the many lives she touched and people she inspired. I will treasure all the family gatherings, piano lessons with my kids, and most of all the privilege of working with her for so many years. We shared lots of laughs and special memories during those years. Aunt Audrey you have always and will always hold a special place in my heart. Hugs and love to Uncle Ray, Toni, Coy, Blake, Anne and all her family.

Aunt Audrey was the sweetest, kindest and most caring person I have known. She was one of the last remaining Saints from this generation who really cared for others more than herself. I can hear her saying "Now Phil, tell me how is your Mama doing", or how is so and so doing. She was genuinely interested in everyone else. Their home was the epitome of Simple Southern Charm with such care and comfort around the kitchen table. My life is forever enriched for having know Aunt Audrey. What a great example she was to us all. She will be missed. Love to all of you. Phil and Lori LeBlanc

I will always think of Miss Audrey as the soft-spoken, gentle, and patient music teacher who loved all of her piano students. My deepest sympathy to Mr. Ray, Toni, and all of the Boe' Family. This "angel" is now at peace in heaven and has joined the other St. Peter Choir Members who passed on before her.

Audrey and I attended St Peter's Catholic Grammar School and then Leon Godchaux High School together. She was always a kind, gentle person and very smart; in fact she graduated at the very top of our 1951 senior class. After that our paths went in different directions and we only saw each other at reunions. But, I've often thought of her and her sweet disposition.
