“ Dear Michael and Alice,

I am so sorry to hear of your mom's passing. When I couldn't reach her by phone I was afraid she had passed. Your mom and dad were good friends with my parents Bob and Detta Nasser. After my mom passed in 2013 I began to call and write your mom regularly. She was, of course, lovely and fun to talk to. During every phone call she would tell me what a treasure Alice was and how much she loved both of you. Her family and all her grandchildren, great grandchildren, and her great-great grandchildren meant the world to her. I am sure she is so excited to be with her beloved Harold again and I believe our parents will be together again talking and laughing!

Many Blessings to you and your family at this time.

You are in my thoughts and prayers,

Nancy Nasser-Marsh

Audrey and Harold were our neighbors on Osborne in Driftwood when we moved here from Memphis. They went out of their way to make us feel welcome and became good friends. We attended their 50th anniversary party and had a great time. I kept in touch with Audrey for years by phone and enjoyed her friendship after Harold passed away. She loved traveling with you, Alice, and we would laugh a lot. Sweet Audrey has joined Harold in Heaven now, but will be greatly missed
