“ Audrey...I miss you, girl. But I know you are in a far better place. I have many memories I could share, but one of the best is when me and Roual were finishing your roof over 15 years ago...I never knew I could sling plywood, tar paper and shingles so fast...lolol I know you were not my sister but in many ways, you were closer to me than my real sisters ever were or will be. I miss your beautiful smile, and the way your eyes would light up when you were happy...I have my memories, and I cherish each and every one. Do not worry about your pups and cats..we promised to take care of them and we will. Rest and enjoy your time of peace...God knows you have earned it. I am confident that I will see you again, when it is my time to go to my heavdnly reward. Until then, rest easy, and know how very much you were missed, and how very much you are and were loved.

To my sister...I came to stay up here 9 months ago to help take care of you, because you asked me to. And I asked for nothing, and expected nothing in return. I did not come here for you to support me or give me your house, or anything else. I am very glad I was able to make the last 9 months of your life easier and happier. You just dont know what those months with you meant to me.

You asked to make you 2 promises. The first one has been fulfilled.

The second one will be fulfilled to your wishes, no matter who in the family disagrees.

Tell Dad, Mom , Linda , Laura and Macko hello, I love them and I miss them...and I will see all of you when my time comes.

Losing you has left a giant hole in my heart, that can never be fixed.

Rest easy, my sister, and and know you will never gave to hear "Shady Pines" again.

I know you are my guardian angel now, and you are watching over us, your beloved animals and your house.

These words were dictated to me by Audreys brother, my husband, Roual Hebert. They were posted through my email, but are truly from him...from his heart.
