“ *I was sorry to hear about Becky passing away. I knew her for many years as a neighbor and student at my karate school. She was the type of student you always hope to have in your class. She was anxious to learn new things and had a wonderful competitive spirit. She was a fierce competitor who always gave more than 100% in anything she did. She will be missed by our karate family and our condolences and sympathies to her family. She was a wonderful person who will be fondly remembered by many.*
