“ *Joey, Keith, and Stephen:  
Your mom has been my friend and neighbor for 43 years. What a wonderful, caring, loving friend she has been. We walked together, mowed our lawns together, and sat on the swing together solving the world's problems. And, together, we laughed at ourselves, each other, and life! I have such good memories. She taught me so much by her steady example of kindness and sincerity in everything she did and with everyone she encountered.  
Betsy loved God, her Joe, her sons and their wives, and her grands unconditionally.  
Rest in peace, my sweet friend. You are missed.  
Sincerely, Janice*

“ *I was saddened to hear of Betsy's passing. She is one of the many who served faithfully for her Lord, her community, family and St Joan of Arc, whom I met and grew to love because my brother loved and appreciated them. These many souls , with my brother, have left us for now. One day we shall meet again. Betsy's name will always be remembered because of her faithfulness. To the family I express my condolences. May you feel God's presence with you during this difficult time.*

*Love in Christ Jesus*
