“ My sister Beverly loved going to the mall. Whether it was to buy clothes, makeup or jewelry! She loved keeping up with the different trends. She also loved the holidays. She left her tree up in her den, and she would get Maddie to decorate it for the different occasions! I loved how like me she loved watching the Christmas shows! Like Rudolph, Frosty, and Charlie Brown. We would laugh all the time when they would come on!
Her grandkids were and kids were her world. As long as they were happy and having fun, so was she. She is there world also! She leaves behind so many memories, that they will always treasure!
I love you and will miss you my sister!!
