“ Ms. Beverly was a fixture in our lives for as long as we all can remember. Dad always said and as recently as in the last few weeks, what a great nurse she was and he could not have had the medical practice he had without her. She was Dad's nurse for 30 years, but more than that she was a loyal, trusted, valued friend. We are thankful for her life of caring and devotion, and always cherish the part of her life she shared with us.

“ My deepest sympathy to Mark and Drema. I know this is a difficult time because you cannot be with family and friends. Take comfort in the prayers and thoughts of everyone. I worked with Beverly for many years and she was a very good and caring nurse. I am so glad that she and Quincy enjoyed many trips overseas and locally together.

To you Drema and Mark and your entire family, please accept my deepest sympathy on the loss of your beloved Mother. Ms. Beverly was such a kind and gracious lady and I might add a wonderful wife, Mother, and Grandmother. She and Mr. Quincy are now reunited and dancing in Heaven. May you find consolation in knowing that she was well respected in the community and was loved by all. May she rest in peace.

*Drema, Even before we became neighbors, I knew your mother to be a beautiful, friendly person with a big smile and always words of encouragement. She and your dad had a special relationship and now they will be together again. I am glad that they both passed through my life.*
