“ *I am really going to miss seeing you on the patio all day and your car in the driveway. I didn't know you that well but what I did was a kind, polite and sweet gentleman. RIP*

“ *Your smile was infectious, your friendship a joy. I'll always remember those nights at Misty's and the little green house in Crevasse across from the cow pasture. Rest in peace, dear friend. With love, from Carol Walker*

“ *I had the pleasure to meet and work with Blaine at Shell in the Turnaround Organization. Blaine was a very good planner. He brought a strong knowledge of planning piping for our turnarounds. He was very knowledgeable and got along so well with everyone. Although he has passed so young he has been reunited with the love of his life and I'm positive that he is happier for doing so. Rest In Peace Blaine.*
