“ *I couldn't believe it when my brother told me about Brad. We attended school together, from John L Ory. I remember him always being that person who could make you laugh even when you were upset. I would like to send my deepest condolences to his family and loved ones. Brad we may not have seen each other since school, but it's always hard when you hear about a classmate from childhood, so young, so full of life...you will be missed my fellow John L Ory Eagle. Fly away as heaven opens its gates for you.*

“ My heart goes out to the entire Wandrei Family. Mark and Sandy I especially want to offer my deepest sympathy as there is no pain more difficult to endure than the loss of a child. May you gather strength from each other and welcome the Love and memories his friends will send your way.
