God saw you were getting tired
and a cure was not to be,
so He put His arms around you
and whispered, "Come with Me."
With tearful eyes we watched you
suffer and saw you fade away.
Although we loved you deeply,
we could not make you stay.
A golden heart stopped beating,

hard-working hands at rest.
God broke our hearts to prove to us
He only takes the best.

“ *Britany was a big part of our lives. Her and my youngest daughter were best friends all through school. She was in my group on our trip to Washington. The long rides, the food poisoning, the hotel parties. She was so wonderful.*

Then there was this other side. Britnany and Robyn always did school projects together. They were such procrastinators. The night before it was due Jennifer would bring her over and they would start the project.

Britany I will miss you greatly, and I will help take care of your Mom.

Love you Momma Dobbs
