“ *So sorry for your loss, Brian and I became friends in 3rd grade, at that time he was in a wheelchair but recovery came and football was on. I remember going to his house nearly every day to play pool. Later we rooted for the Saints each game each year till high school. We kept in touch for many years. Brian was a good friend and will be missed by many.*

“ Angie and Brandon words can not express how deeply saddened I am by the loss of Bryan. The last time I talked to him he told me he just can't live without his Mary. Hope some comfort comes to you both knowing they are together in their living arms and are looking down protecting their loved ones. Love you all Valerie
