“ We met at a time when we both needed respite from a fight against some of the most vicious of demons I’ve ever seen! During the course of our journey a bond was formed, that bond turned to love, although our romance didn’t survive the bond we had remained always! Even after we both moved on to new loves, when there was a need from either of us, nothing stopped us from being there for each other! The last we spoke although it was brief I remember the last words we spoke, you told me no matter what I would always hold a special place in your heart, and I told you how proud I was of you and how happy I was that you were doing well and loved seeing that you had met someone who was the right fit for you. You said yes she is great and is changing you for the better! You said you were happy for me but nervous for the guy! Lol We ended with “love ya fa-eva, ttyl Jerk you said, and I said luv ya face, AWJ(after while jacka@.\$!) I’m so mad though because you didn’t keep ya word, you said talk to you LATER!! Whyyyyy I want my talk!! I hate those demons! You never were able to see what everyone around you did, you were blinded to your own greatness! You were supposed to grow old, bald, and FAT! I will miss you fa-eva!!! Goodbye my friend, I will never forget you and it was an honor to have known you, thank you for being a part of my history! You don’t have to fight anymore love, even though you always said “I talk crap, but I know I can’t fight” rest now tell my nanny I said hi and that I miss her!
