*I really have had God's presence in the past few days and I know that he is there for me in my time of need... There have been many small answers from God that I knew was a direct answer but there were 2 times in my life that I had significant answers that were no doubt directly from God. One was when my Mom died and the other was the day my Dad died... I have no doubt at all that God will see me through and this time my daughter was with me to see this first hand and was amazed at how it was such a direct answer that she couldn't even doubt it... That is why I know that they are both in a great place and are finally together again*

“ *When I was still young,we would make our weekly trips to Laplace & Reserve to see the relatives. Before leaving to head home would stop by Aunt Doris & Uncle Charles house. Debbie & Charlie were really young. It was fun going to play with them. Was like I was the big sister,loved that being I was the baby of the family. Such a nice Uncle,he will be missed. But now he can finally see his love Aunt Doris again. RIP Uncle Charles.*

“ When I was a kid I remember going over to Uncle Charles and Aunt Doris's house often. For a while they lived in a house a little far out in Laplace close to where Doris's sister Juanita lived. Then we visited a lot when they lived with Grandpa and then still when they bought the house in Carrollwodd. When I was young they did not have Deb and Charlie so every year on Christmas Eve they came over to our house in Reserve. One year Uncle Charles and my Dad, Ridley, put a play stove together and put the oven in upside down. Many good memories of both of them from when I was growing up.
