“ I'll always remember how Uncle Chris always get me something for Christmas growing up. I especially remember when he got me a basket ball goal one year. As I got older he would give me a little roll of money and say, "don't tell your mom" lol. He always had a good heart and he cared about his family. I'll miss him and I only wish I could have spent more time with him and showed him the man I have become. R.I.P Uncle Chris love you
