In lieu of flowers, the family ask that you donate to Opioid Free America Foundation. This New Jersey based foundation was started by firefighters and other first responders who have seen the tragedy of opioid addiction time and time again. It is dedicated to the education of children ranging from middle school to college students and their parents about the dangers of opioid addiction. Please visit their website www.opioidfreeamerica.org to make a donation so that together we can stop this tragic epidemic.

“ *Christopher was always a great person and fun to just speak to, he was a great thinker of many things and on many subjects. We had several great conversations that really showed how deeply he felt about things. I will never get another chance to have another of these conversations, but now he can have them with those he loved that have passed before him.*

May his family be at peace knowing that he is at peace.
