“ My friendship with "Peto" began very early in my life when we started playing "scrubin" around "The Oak tree" behind "Peto" & Bob's house. We would play till dark with other kids in the neighborhood. I remember when "Peto" & Bob first showed me how to climb "that tree" when I had never climbed before. We belonged to a neighborhood that, sadly today, you dont see much "tree climbing". Luckily, I still have those fond memories of you, "Peto" & Bob helping me climb "that tree" many years ago.

My God bless you & your family, and may you rest in peace.

Your friend, Elton "Pine" & Jennifer Remondet
