“ *Sorry to hear about Craig. I went to school with him at St. Peter's and at Leon Godchaux. We were in the same grade. I haven't seen him in a very long time. Again my sympathy to his family. My memories of him are all good.*

“ *Alice and family,  
Our deepest condolences to each of you. Living in Florida we don't get all of the news but I did know that Craig was ill. I can easily recall the many time we went to the Reserve camp in our teen years, hunting, fishing and just hanging out. He was a good person, a hard worker and a dedicated family man. He accomplished much. I know that God has a special place for him to get some rest and await friends and family.*

*We pray that our Lord and Savior, Jesus Christ, brings comfort to you all in your loss.*
