“ I. So floored to hear this news Cindy and I were next door neighbors for years. We both went to HS together and always chatted and laughed about life. Now that we are getting older it is sad to loose a good friend for time flies by so fast now and there is never enough time in this world to know and love the ones we grew up with and grew old with. Terey my prayers are with you and yours and the Sanchez family May she now RIP and be free from pain. Love you Cindy
