“ Danielle you will be so missed by many and you were loved so much. I am still in shock that you are no longer here. Prayers for family, friends, neighbors, and anyone else who is grieving your loss. It not always easy to understand why God takes so one so young and before we think they should go. I wondered so many times this week why God why but it is not for us to question. God needed you for a special reason so he took you early. I know you must have lit heaven up with that beautiful smile and laugh when you got there. Prayers for all us and everyone who knew you.

Miss Me But Let Me Go

*When I come to the end of the road
And the sun has set for me
I want no rites in a gloom-filled room
Why cry for a soul set free?*

*Miss me a little-but not too long
And not with your head bowed low
Remember the love that we once shared
Miss me-but let me go*

*For this is a journey that we all must take
And each must go alone.
It's all part of the Master's plan
A step on the road to home*

*When you are lonely and sick of heart
Go to the friends we know
And bury your sorrows in doing good deeds
Miss me but let me go.*

“ *I am so shocked and in disbelief! You served your purpose here on earth and God took you home to finish your work in Heaven. I know Darren and the children will miss you and cry for you, but I hope they find peace in knowing that you are still looking out for them from Heaven.*

May God bless the Rebstock family and friends, and bring them peace in their time of sorrow.

“ *Danielle and I worked at Winn Dixie when we were in our teens. We had an instant bond. We have laughed so many laughs. We have argued over the dumbest things. And we cried to. We laughed so hard till we cried. When I moved to Texas, I would come back to la every other weekend and I stayed with Danielle and Daren. I used to live with them when Celeste was born. Danielle I will miss you with everything in me. This still does not feel real. We have made some of the best memories for years and years. (Yes I am still patting my back). I love you. May you fly high and kiss your daddy and my mawmaw and mom for me.*

“ *Danielle an I were the best of friends when we went to school together and she was living on Fogot loop. After school I always had her dad make me a ham sandwich cuz his tasted the best. I remember sleeping over one weekend and she told me my eyelashes were too long and convinced me to cut them off and said they'd grow back fast and not to worry. Well it's 2017 and they are still short and that was back in 1995! We grew apart over the next few years but got it back. I'll never forget her smile or amount of love she had for her family. She will be forever missed*

I was telling Grandma Monday thing's we've done and she said "I didn't know that" lol .. I am sure she knew we weren't angels though. Love you sooo much and one day we will see each other again. Give grandpa a big kiss for me.*
