“ *Darlene was a lovely lady. My encounters with her over the years through our work at Shell were delightful! She was a hard worker, easily shared her experiences and opinions, had a good heart, and loved her family dearly. Each of you were very important to her. Her passing to a new life is difficult for you now, but may you be comforted in your grieving. May your hearts find healing in cherished memories; may your spirits find comfort in the thoughts and prayers of those who care about you.*

*Darlene and each of you are in my thoughts and prayers.
May dear Darlene rest in peace.*

“ My friend, Darlene, I just can't believe you are gone. My dearest , true friend. What am I going to do without my friend who I could call anytime. Your were superwoman!! I will miss you so much. no goodbyes. like you just vanished . Not fair. Your birthday party was so fun - you looked so happy... and healthy! We danced like teenage kids.
