“ *Darrel was my friend and mentor from 1969 to my retirement from Dupont in 2004. We shared an office, lab and lab technicians for about 10 years, plus I enjoyed his great joking sense of humor, and happy outlook on life and friends. He was a special man, and I was lucky to call him friend. He will be missed by family and friends. ..Joe Englert.*

“ *Darrel,
I got to work with Mr Darrel at Dupont, we worked together for a long time trying to solve issues we had in my area, at first I was not comfortable but got to know this very intelligent man, he solved our issues and I learned a lot from him, we got to be real close and I really missed him when he retired. He was a very knowledgeable person and great family man,*
