“ Oh Clutcher, gonna miss you. The great times we had as kids playing in the fields, getting pulled behind the horse or atv while kneeling on a piece of plywood in the bayou across the road. We invented wake boarding. Building camps in the woods. Love of trucks even though you ragged out that beautiful 57 Chevy Truck. Will always cherish the memories so you will always be here. Love you cuz!

“ Dave , nubs as I would call him, was one of the great role models I was able to have in my life, If you ever needed anything Dave would always offer to help. If you asked Dave he would give you the shirt off his back. Words can't describe how great full I was to be able to consider Dave like a second dad. He coached a lot of the guys since we where 7 years old all the way to high school in soccer , he would never miss a game much less a practice, he was a hard worker that always put his family first no matter what. I hope to be able to say I was able to live my life like Dave where family was hands down the most important thing to him .  
Intill we meet again love little brother

“ PawPaw Dave loved his grandsons so very much! His last hunt was with Wyatt where they had an amazing weekend. And he and Sawyer had the biggest connection and love for heavy machinery.
