David you were more than just a friend to Linda and I (Paput) you were my dad my brother and my best freind and could go on. It is so hard to believe that i am writing this, words alone can't express my hurt. We have so many memories that I could go on forever. Nobody can ever replace our friendship. Until we meet again my brother. You always told me we go rest until God comes. RIP till then. Love you Paput and Linda.

“ Uncle David was an amazing man. He always had a smile on his face when I was around him. When I was little I remember his hugs and he would always tease me amd ask where I got my blond hair from, and I never knew because nobody else had blond hair so I was always looking for that blond hair. And I always loved going to his house because of the swing there and to this day I want a swing like that but Im told I cant have one because theres onle that one. Ill never ever forget Uncle David he was one of my most memorable uncles because he was definately the biggest but I cant remember him ever being mean to me and I always remember how good he was with his girls and the relationships they had. I always enveyed that the most because thats the best kind of daddy love Ive ever seen in my life. Ill miss him I just wish I could have known him in my adult life. I love you Uncle David. Linda and Family...We are so sad. Donnie Dottolo and I were playing golf the morning of David T. surgery. As we rode the course we laughed and laughed remembering some of the escapades we had in MS. renting horses for our famous trail rides which always included David! Then we got the horrific news, it broke my heart and I know Donnie was in shock! Just this past week I had mentioned to Sheila that she needed to bake David her famous Blueberry Cobbler for the holidays because we had not done that for him in a good while. Sorry is not a big enough word to express our feelings. We will always have the memories, and sit back a laugh some more!!! Sheila and I love you guys.

May God love and bless you all, we had 4 Masses offered for David at ST. Joan of Arc Church.

Love

Ron and Sheila Troxler.
