“ *Dad.. ik you can't see this but .. god i miss you, we all miss you. I wish i would've been there for you when you needed me most.. i was always a phone call away. Words can't express how much i love and miss you. I would always try to text you everyday i got the chance too but i didn't know if you would respond. I miss you so very deeply.. we were suppose to work together to cure your sickness and everything so you could live to be older.. we had so much that we talked about and i will never forget your voice. I loved hearing your jokes and making me laugh.. i loved every second of it. You were an amazing dad. I love you forever and i will be reunited with you soon. I'll make you proud. I love you forever. -Lanie Walls*

Beautiful words written by your daughter who loves you more than you will ever know. She's going to miss you so much. You now have bigger shoes to fill, you are now Tyler and Lanie's guardian angel. Please watch over them from heaven as they will still need you!
