“ *When Shawn came to see granny she told us about Kay. I remember Amanda playing with my daughters when they were all young. Kay was always very nice to me as a young mother. I know that her parents would be proud of her. I am so sorry to have heard about her Dx. My grandfather Mr. Bud always thought highly of the girls when everyone on Belmont Belmont street were growing up. My thoughts are with you now and I am sure her parents were there to hold her their heavenly home.*
