“ *Elmo, Alexis and Weston*

Our deepest heartfelt sympathy. Denise will forever live in our hearts. I will always remember the time she and Alexis came to stay the weekend at our house when they had a volleyball tournament. Lots of laughs standing around the kitchen island just talking and lots of chuckles when we went to dinner at Hemingways. I will especially hold dear to my heart when ya'll came to the house to visit my mom when she was ill. Her eyes lit up when she saw ya'll. Denise is now in heaven watching over your beautiful family. We love you!
