“ So sorry to hear about Don's passing; Don was my Nabisco salesman and close friend for many years. My fondest memories were when we had breakfast together almost every Friday at the Tiffin Inn. My wife Stella and I had some great times with Don and his wonderful wife, Mona. Don was a mess.....a real character and such a caring human being. Jack & Stella Bowman

“ *Mr Don always had a smile on his face that would lighten the room every time I seen him. He loved to talk to all the kids at church and make them smile as well . He was a very sweet man but God has taken him home . My prayers are with Mrs. Mona and the rest of his family*

“ *I will always remember Don's cheerful personality. He certainly made the time I spent with Nabisco's New Orleans Division a more pleasurable experience. I also remember the good times we had at the Nabisco "reunions" we had during his restaurant days, and those times brought back good memories of the "old Nabisco" that we loved so much.*  
*Mona, to you and the entire family, please accept my condolences. Please know that you will be in my thoughts and prayers.*

“ *To Mona and the entire Loisel Family our deepest condolences. Everyone who knew or met Don for the first time had a friend. When you were Don's Friend, you were part of his family and he treated you that way. We're extremely grateful that Marie worked for Nabisco or we may have never had the pleasure of meeting or knowing Don. That would have been our loss not his. D, We hope you are reading this, " We Love You and You will be greatly missed "*

“ Thank you for welcoming Cleo and I into your life without judgment, without question. From the moment of her birth you and Ms Mona have been surrogate grandparents to her and lovingly supported us in our life moving forward. Your absence will leave an empty space in our hearts, but knowing that you are restored to your healthy cheerful self makes my soul sing. Ms Mona, our thoughts and prayers are for you and your family as your loss is realized. I pray that your faith will lift you up knowing that as Jesus rose on that first Easter morning, so too will we all live forever in glory with our savior. May God hold you all in his comforting arms and bring you peace..

“ From the first time I walked into our church *The Lutheran Church of the Galilean* he made myself and my family feel like we belonged there. Every Sunday over the years he always made it a point to welcome and greet everyone like we were a part of his family. I love Md Don like a father and will miss him dearly.

“ Don, you were the sweetest and most loving man every time I saw you. You gave of yourself without even thinking. You were an awesome husband to my sweet "Sis" Mona and a dad to her girls and grandfather to her grandchildren. You took everyone under your wing, including me. What a special, God loving person you were! Keep everyone amused in Heaven and tell my mom I love her. I love you and I am so grateful we had some good times together. RIP my friend. I will forever miss you...

“ Oh Mr. Don, how you will ever live on in my memory as so many things, but mostly the beat daddy to my Donna Lynn and surrogate daddy to me. And of course your jambalaya, which was the best ever. Your smile, your laugh. My heart hurts today for you children, especially my Donna, and the boys too. Share your laugh and your jambalaya with those in heaven, and I'll see you on the other side.

Love ya,  
Shasta

“ To "ALL" of the family of Don, Don and I started and retired from Nabisco on the same days. Don was a true friend and would do anything to help you in any way possible. We enjoyed going to LSU games together and I surely enjoyed that he joined me in going to Manresa House of Retreat for a few years. He will be surely missed and may his soul rest in peace.
