“ *Donna and I were great friends in College and she and I spent many great times together. She was one of the sweetest, best ladies I have ever have known. She was sensitive, sincere and very caring. I haven't seen or spoken to her in 35 years but her passing definitely affected me. I will always cherish our times together and will keep her family in my prayers. Kevin, Daniel, your wife and mother was one of the real special people God put on this earth. I only wish she could still be here. i will always miss her and hope that your memories of her get you through this. She was a great lady. I will cherish her memory forever.*
