“ *So very sorry for your loss. He shall be missed by so many. When we were kids we would go to the back by uncle Mel and aunt Helen's to play with the kids. We would have a seafood fry on the weekends and have so much fun. The good old days. My deepest sympathy to all of you.*

“ *Lifetime of memories:*

*Him trying to teach me to drive in field.
First job selling snowballs from Snowball truck.
Dinners on Friday night at Middendorfs,.
Him being Justin's godfather.
Him giving me a place to live when I needed it.
And most of all him walking me down the aisle to marry Robert.*

I love you and will miss you.

“ I am so sorry to hear of your loss. You and the family are remembered in my prayers. Try to remember as Father Vincent reminded us often , that there is no way to describe what heaven is really like, but we do know that there will be no more suffering and we will all join together in an unbroken circle and never have to say goodbye again. Dorrel has entered into His Glory, and he and our loved ones await the day when they will welcome us with joy.

“ Mary Alice and family I am so sorry to hear of your loss. I know "Fat" was a strong man and fought a good fight through his illness. He will be missed - I don't remember ever seeing him and not sharing a chuckle. Thoughts and prayers are with you. Love and peace, Suzanne Schexnayder
