“ One of my favorite memories of Dee happened almost 50 years ago. I was the new kid in town and had been hanging out with LJ. They took me water skiing for the first time down the 51 canal. When it came to my turn, Dee took a lot of time and patience explaining to me what to expect and how to let the water lift me up. Needless to say I got up on the skis the first time they pulled me out of the water. I was so excited I only skied a couple hundred yards (maybe). Thank you my friend I'll never forget it.
