“ *Mary I am so saddened by this tragic event. I lost my dad on Dec 19 in 1969. He was 44. It is so difficult during this season to deal with that even after all these years. It really cramps our Holidays so I understand how hard this is for you and have you in my heart and prayers. Sending my love and lots of hugs. "To be absent from the body is to be in the Presence of our Lord." May he Rest in Peace and Rejoice in the Throne room of our God. Cheryl Kernan Fontenot*

“ *I've been a fellow re-enactor with Dudley for several years. Always quick with a joke to make you smile, I will dearly miss his voice yelling across the Battlefield. Please extend my condolences to all of his friends and family.*

“ To the family of Dudley, please accept my profound condolences for your loss. I remember him well from our class of '75 back at De La Salle. Although I have not been in touch with him since those days, I consider him a friend and acknowledge his kind heart through his contributions to our part of the world in south Louisiana as a knowledgeable historian and especially the joy he brought to countless children during the Christmas season as Santa Claus. *Repose-toi en paix, mon ami. Rest in peace, my friend.*
