Earl "Bo" was loved by all who knew him. His life was marked by the love and warmth he shared with his family. He loved giving to the community so much that his Christmas decorations took up the front of his house and the front yard of two of his neighbor's houses. He dressed as Santa Claus and allowed children and adults to sit on his lap to take pictures and tell "Santa" what they

wanted for Christmas and sent them on their way with candy or other trinkets. His legacy lives on through the memories and bonds he created with those he held dear. May he rest in peace, forever in our hearts.

“ *When Rudy and Delta were first married she worked at the hospital and Rudy worked for Jeff Davis electric so I watched Rudy Keith and Bo. Everyone thought I had 3 boys instead of just Carl. Bo was a blessing working on Grandma and Grandps Richert’s car when Carl was in the hospital in New Orleans. He would go to school then come home and spend hours fixing it. I will always treasure the times I got to spend Thanksgiving at their home in LaPlace!!!! He will always hold a special place in my heart.*

“ Rudy and Delta lived in Franklin when we were growing up. I always enjoyed seeing Bo and his siblings when they came to visit at Grandma Richert's on Christmas Eve every year. Wish we could bottle up that time and enjoy it again and again. Our deepest sympathies to all of his family. Joel and Donna
