“ *Dear Aunt Edna,*

I will always remember you as the most loving & kind person I know! You would always light up the room with your sweet voice, kind words and the best hugs ever! I remember that you always enjoyed giving us kids presents to use in school (packs of pencils binders . . .) I think all of these years later I still have a few pencils that you give me and even shared some with our daughter Felicia.

I know you are at peace now and can be with your beautiful family every day providing quiet support and encouragement along with your special hugs!

I love you very much and I feel very blessed to have had you as my aunt.

Give Jackie a hug for me!

*All my love,
Pam*
