“ *Fern - sorry to hear about Eddie - - I was on phone with my Eddie when I received your card with the news. To think you just had your heart by-pass and to lose your only son at such an early age. My heart cries for you. Really glad you are OK. My Eddie showed me how to get the obituary - good picture of Eddie - Take care - love you.*

“ *Tansy, Tammi, and Brandon: Kathy, I and our family cannot put into words our deepest sympathies we feel towards you, and your families knowing the deep sorrow you all are experiencing at this time. Tansy; Kathy and I, hope you, your children and their spouses, and the grandchildren find a way to get through this great lost. And, we hope that together, you will be able to provide support to each other. Ed was good man, who was taken too soon. Maybe; it was meant to be - that, the good ones are the first taken home. Ed, until we meet again...*

Love,

Ken, Kathy & Family
