A Symbol of Hope

A butterfly lights beside us like a sunbeam

And for a brief moment its glory

and beauty belong to our world

But then it flies again

And though we wish it could have stayed...

We feel lucky to have seen it.

“ I want to send my condolences out to Ms.Elizabeth family, she will truly be missed. she was like another mother to me for the 3+ years that we worked together, she was more than a manager she was personable. she always took care of me like i was her own. nobody else ever did that for me. she was understanding and always was concern, and i could remember when i was hospitalized she would stop by everyday to check on me and bring my favorite candy. love you and may your soul rest peacefully

I worked with Mrs Elizabeth for 3 years at the Wyndham. I have never met someone so sweet and sincere. We would share pictures of our grand babies who you was so proud of. I am so saddened by this news. My prayers are with your family.
