“ *I didn't have the pleasure of meeting Eloise but heard alot about her from her niece Alice, my daughter in law. Wish I could have met her. Our prayers and condolences go out to her family. Will be thinking of them in the days to follow. May the thought she is with the Lord give you some comfort. Sylvia Hickman and family.*

“ *I am so very sorry to have read about the death of Tootie. I worked with Tootie at L'Observateur in LaPlace for more than 2 years beginning in 1981. She always had a smile on her face and a warm, caring welcome to everyone. Tootie was a great co-worker who would do anything that was needed to get the paper out on time. My thoughts and prayers are with Tootie's family and her many, many friends. May God bless all of you at this most difficult time.*

“ *Ms. Too was a good friend to me and a great listener. She had a sweetness to her and loved to talk about her dogs. I would have liked to have had more time around her. RIH my dear friend.*

“ From the day Chucky entered into our lives through the present (over 40 years), Too also became a part of our family. My sister, Mona, treated Too just like she did me and Jody. Since Chucky died 15 years ago, there was not one holiday or family event where Too was not invited, and she came to most of them. How ironic that we would be enjoying her company on Thursday as we give thanks for all our blessings. And Tootie was definitely a blessing to our family. Thank you Mona for always reaching out to her. Y'all had a very special bond. As we lose yet another family member, our holidays, once again, will not be the same. Rest In Peace my "sister".

“ *Tootie and I go back as kids in high School. We spent lots of time with singing and her playing guitar. I was married in 1976, as her gift she played guitar and sang "the wedding song" for us. I can still hear the song. I will always love my friend.*
