“ *Liz,*

I am so very sorry to hear of the loss of your mom. I am only just now seeing the obituary online. I am very sorry and upset that I was not able to attend the funeral. Your mom was very special to me from the time we became friends in 3rd grade and through the years. Living away, I really only saw her periodically, mostly at funerals. She made a point of attending my parents' funerals and I really appreciated that. I loved the times I would run into her and we would catch up a little bit. Again, I am so very sorry.

*Love,

“ Dear Liz and family,
I'm sorry I could not attend Miss Eula's funeral Mass at St. Peter's, but, as you might know, she received the Anointing of the Sick from me just a couple of months at the most at the veterans' home. Someone from the home called me at St. Hubert's in Garyville and asked me to come to anoint a resident, and it was Miss Eula. She seemed to know who I was, since she has known me all my life as a classmate of you, Liz, since first grade at St. Peter's. That was the last time I saw her, and I was glad to anoint her. Of course you and your family deeply feel her absence after such a long and full life, but know that she is at peace and watching over you all, My sympathy to all of you.
Sincerely,
Fr. Ray Hymel
