“ *Our thoughts and prayers are with you and your family.... May God give you all the strength and courage to get by in this difficult time... Mr.& Mrs. Lawrence Simoneaux & Fly. I will always treasure the friendship we had since we were kids. We carried it on for all these years. You always had that beautiful smile and that laugh. And boy you loved to write letters. It was hard to catch up on relying back. I would give anything right now to have those letters coming here. That way this would only have been a bad dream. You were such a good person in and out.. I will always love you. So long for now my friend, till we meet again....*
